Cooking at home?

Let us help

-Set your oven to 325°F.

-Stuff turkey with vegetables not stuffing:

small cavity: ½ onion

main cavity: ½ onion, leek stalk, celery

-Cover your turkey with a foil tent.

-Place your turkey on the bottom rack of your oven.

-Cook approximately one hour per every 5 pounds or until in it reaches 165°F (Breast) 185°F (Leg)

-For the perfect golden brown, remove the foil from your turkey, when it is nearly done

150°F(Breast), and turn your oven to 450°F, watch it closely, it's fast!
